HYDE TOGETHER

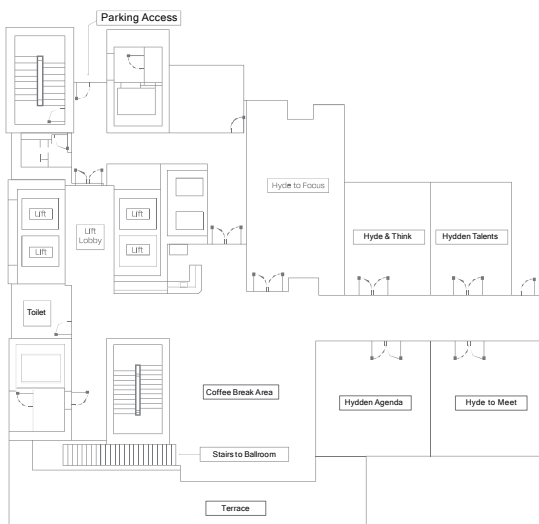

This 205 sqm ballroom allows meeting planners to accommodate up to 150 guests, from business meetings to social events. With a vast range of amenities, including 3 screens, projectors and built-in sound system, it can be altered conveniently for any function. It also features a dividing wall, and pre-function area with natural daylight, making it the perfect location for weddings, business meetings, lectures and exhibitions.

MEETING ROOMS

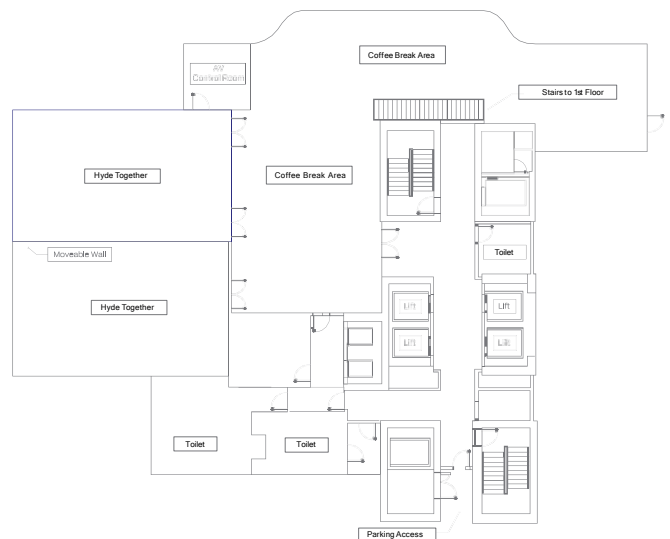

Unlock the potential of your events with HYDE's 6 versatile meeting rooms, designed for success regardless of scale or type. Experience state-of-the-art facilities, seamless technology integration such as built-in BOSE sound system, digital screens and projectors, and exceptional catering services that cater to a spectrum of functions, from intimate meetings to large exhibitions.
