With 10 state-of-the-art multipurpose halls, Exhibition World Bahrain offers an expansive combined area of 95,000 square meters of exhibition space, engineered to meet the diverse and specific needs of exhibition organisers.

Each of our halls is purpose-built for flexibility, scalability, and operational efficiency- whether used independently or in combination. The expansive and modular layout allows for seamless customisation to support a broad spectrum of formats. Including large-scale exhibitions, corporate launches, cultural showcases, festivals and fairs, large scale and sector-specific trade events, and even major sporting events.

Key Features, Integrated Facilities and Technical Specifications

Our Exhibition Halls feature varying ceiling heights of 10, 12 and 14 metres, providing ample vertical space for staging, lighting, rigging, and large-scale exhibits. To ensure optimal event delivery and on-site functionality, each hall is supported by strategically located auxiliary facilities, including:

- ▲ **Flexible Configurations:** single, and double halls can be used independently or combined
- ▲ **High Load-Bearing:** to support heavy machinery, vehicles, large structures, installations and rigging flexibility.
- ▲ **Fully climate controlled and accessible:** optimised for year-round comfort
- ▲ **Utility Trenches:** floor-integrated service trenches at regular intervals for power, water, drainage, and data
- ▲ **Ample Storage Areas:** onsite storage to support back-of-house and exhibitor needs
- ▲ **Loading Dock Access:** direct hall entry from loading bays for streamlined setup and logistics
- ▲ **Meeting rooms:** Private rooms ideal for private meetings and business negotiations
- ▲ **Majlises:** Elegant reception lounges designed to privately receive VIP guests with comfort
- ▲ **Offices:** Private areas available as operation hubs to manage real-time coordination and logistics.

This integrated infrastructure enhances operational efficiency and improves the overall experience for exhibitors, delegates, and visitors alike.
