Introducing the Grand Hall

The Grand Hall is the crowning jewel of Exhibition World Bahrain's convention centre. This magnificent space is designed to exemplify modern versatility, functional sophistication, and architectural elegance.

Offering advanced infrastructure and an adaptable design, the Grand Hall features tiered retractable seating that allows for rapid conversion between auditorium-style and flat-floor formats. Whether configured for a plenary session, international conference, a live performance, a formal banqueting event, or even a small-scale high-end exhibition, the space supports both creative ambition and operational excellence.

With a capacity to accommodate up-to 4,000 guests, and the flexibility to be adapted for smaller gathering utilising the insulated separating walls, the Grand Hall is ideally suited for a high-profile gatherings and is our recommended space for hosting cultural performances, award ceremonies, corporate galas, and national celebrations. Its design philosophy emphasizes flexibility, accessibility, and the ability to deliver a refined, memorable guest experience.

Key Features & Technical Specifications

Multi-Purpose Retractable Seating:

Adaptable tiered seating enables seamless and quick transition between auditorium and flat-floor formats, maximising versatility.

Extensive Rigging Infrastructure:

Integrated rigging points across the hall support complex staging, suspended AV equipment and lighting, and intricate installations.

High-Performance AV Systems:

Professional-grade sound, lighting, and visual technologies are available to ensure optimal productions for every event.

Dedicated Support Spaces:

Artist Rooms: Comfortable and private spaces for performers and presenters.

Stand-by Areas: Convenient zones for event crew, catering prep and backstage support.

Translation Rooms: 19 booths fully equipped for simultaneous interpretation, for multilingual conferences and events.

Bridal Suites: 3 elegant, private and spacious rooms for special occasions, offering comfort and convenience.

Capacity & Configurations

The Grand Hall's adaptable design accommodates a variety of configurations

Configuration Type	Estimated Capacity	Ideal For
Auditorium Layout	Up to 2,000 guests	Conferences, Conventions, Concerts, Theatrical Performances
Flat Floor (Standing)	Up to 4,000	Large Concerts, Product Launches, Exhibitions
Banqueting	Up to 1,900	Gala Dinners, Award Ceremonies, Corporate Celebrations

Note: Capacities are estimates and will vary based on specific event setup, stage size, and other requirements. Please consult with our events team for detailed planning.

A capacity to accommodate up-to **4,000** guests

The diagram illustrates five different configurations, labeled A through E, each represented by a grid of small orange squares. Configuration A is a tall, narrow grid. Configuration B is a medium-width, medium-height grid. Configuration C is a wide, short grid. Configuration D is a wide, medium-height grid. Configuration E is a wide, short grid, similar to C but with a slightly different internal arrangement. Vertical dashed lines separate the five configurations.
