brick rooftop kitchen & bar

Level 12

Brick, Abu Dhabi's first rooftop oven restaurant, brings you an exceptional culinary experience. Perched on the 12th rooftop level with a beautiful garden and wooden panels adorning the structure, it complements the rustic woodfire oven in an outdoor space with views of the iconic Capital Gate spanning towards the marina and beyond. Operates from September until May of each year and remains closed during the soaring hot summers of Abu Dhabi.

The idea to transform the terrace space began in 2019, and the 'Brick' oven concept was initiated. Brick by brick, the ovens were shipped from Australia to Abu Dhabi. Every dish is made in one of our two brick ovens, Henry and Henrietta. Henry fires at 800 degrees using cedarwood; Henrietta is milder
