

The logo for Saadiyat Rotana Resort & Villas - Abu Dhabi is centered in the image. It features the word "Saadiyat" in a smaller, elegant serif font above the word "Rotana" in a larger, bold serif font. The letter "o" in "Rotana" is replaced by a stylized circular icon consisting of several curved lines radiating from the center, resembling a fan or a stylized sun. The entire logo is set against a background of clear, rippling blue water with sunlight filtering through, creating a shimmering effect.
