MEETINGS + EVENTS

Conrad Dubai offers over 5,440 sqm of flexible event space designed to inspire. From high-impact conferences to executive sessions, our venues balance form and function with contemporary design and intuitive technology.

Our meeting spaces draw inspiration from Dubai's natural elements - sea, sun, and sand. Custom carpets reflect rhythmic wave patterns, while the palette of calming blues and warm neutrals creates a serene, focused atmosphere. Each detail is considered, from bespoke wall coverings to high-speed connectivity.

The offering includes two ballrooms, 15 naturally lit meeting rooms and signature outdoor venues like The Avery and Bliss6 - a landscaped rooftop deck with an iconic waterfall. Every space is equipped with advanced audiovisual technology and for standout moments, the hotel features the UAE's only indoor vehicle elevator, ideal for product launches and immersive brand experiences.
