BEACH RESORT

Situated in the heart of the Emirates, Al Zorah is not only easily accessible — it also offers a striking contrast to the surrounding region, with its protected mangroves, serene lagoons, and pristine white-sand beaches.

Home to an 18-hole championship golf course designed by Jack Nicklaus, Al Zorah also features a wide range of watersports for the active traveller. Conveniently located, it is just 45 minutes from Dubai International Airport and 30 minutes from Sharjah's Palm International Airport.

## YOUR *own* PRIVATE PARADISE

Spacious rooms and villas bathed in natural light, with sweeping ocean views. Elegant interiors, thoughtful design, and state-of-the-art technology — all coming together to create your own private paradise.

## PREMIUM TWO *and* THREE BEDROOM VILLAS

The elegant living and dining areas of our opulent Premium Two- and Three-Bedroom Villas feature floor-to-ceiling windows and spacious interiors that open directly onto a private pool and terrace — ideal for barbecues.

A standout feature of the Two-Bedroom Beachfront Villa is the exclusive private showers, accessible directly from the beach. From there, step into your ensuite bathroom, leading seamlessly into your king-size and twin bedrooms.

## THE RESTAURANTS *and* BAR

The restaurants and bar at Al Zorah Beach Resort are exceptional expressions of modern design, thoughtfully crafted to harmonise with the surrounding natural landscape.

Set within a striking glass-walled island, Vinesse — our all-day fine dining restaurant — offers globally inspired cuisine served throughout the day. The adjacent bar presents exquisitely crafted cocktails, along with an extensive selection of premium spirits and single malts.

Our signature beachfront seafood restaurant, Aquario, blends relaxed elegance with coastal charm, featuring indoor and outdoor seating. Indoors, guests are welcomed by wall-lined sofas, wooden tables, and wicker chairs. Outdoors, a shaded pergola offers daytime comfort, transforming into a candlelit, romantic setting by night. The menu showcases responsibly sourced seafood, prepared using specialised techniques that preserve both flavour and nutrition.

For more casual moments, guests can enjoy healthy snacks at our poolside restaurant or a relaxed lunch on the beach. 24-hour in-room dining is also available, offering convenience without compromise.

## THE SPA & WELLNESS FACILITIES

The Spa at Al Zorah Beach Resort features private treatment rooms with open-air showers and individual hammams, all nestled within a serene labyrinth of open-air corridors. Designed with chic, elegant lines that maximise height, space, and natural light, the spa offers a tranquil setting for rejuvenation.

Adjacent to the spa, guests will find a 24-hour gym, a peaceful yoga pavilion, and a dedicated table tennis deck.

At the heart of the resort lies a stunning 85-metre temperature-controlled swimming pool (265 feet), complemented by a dedicated children's activity area, complete with a sandbox and two shallow pools designed for toddlers and young children.
