

"LIQUID VACATION"

Join us on a sensory journey from **East to West**, along ancient silk roads and spice routes, from bustling souks to roadside Caravanserais.

Leaving behind our **Indian origins**, we venture to North Africa and beyond, embracing the flavours and aromas of the Levant and the Mediterranean along the way.

Come in and rest from your own travels, and make your passion our passion, your desire our desire, and let us enjoy the finer things in life, **together**.

Our fabulous bartenders are honed in the classics, so, if there is any drink you desire, let us know and we are here to serve.

Welcome to
